Stay Green

STAY SERENATA

We care about the future and embrace corporate responsibility in our daily operations. We support sustainable development and offer professional opportunities to local and underrepresented communities.

Driven by Green Hospitality values, we protect the environment and empower communities through effective policies and practices.

SERENATA Hotels & Resorts Group has led in sustainability since 1976 with the launch of our first eco-lodge in Kanchanaburi. We prohibit wildlife hunting and deforestation, and foster an environmental mindset across our team.
